[(3) x (monthly rent) x (12 months)] irrespective of actual lease term.

Credit: Credit is one of the most important elements to qualifying prospects. If there are multiple applicants applying to live together in the same unit, the credit of all adult household members will determine whether the application is approved. An unsatisfactory credit history can disqualify an applicant from renting an apartment at the community. An unsatisfactory credit history is one that reflects past or current bad debts, late payments or unpaid bills, liens, judgments, or bankruptcies. If an applicant is rejected for poor credit history, the applicant will be given the name, address, and telephone number of the credit-reporting agency that provided the credit information, as required by the FCRA. An applicant rejected for unsatisfactory credit is encouraged to obtain a copy of their credit report from the credit-reporting agency, correct any erroneous information that may be on the report, and resubmit an application to this community.

Applicants with no credit history will be charged an additional security deposit up to a total of two (2) month's rent or require a Lease Contract Guarantor.

CRIMINAL HISTORY STANDARDS AND ADDITIONAL POLICIES:

Criminal History: A criminal background check will be conducted for each applicant. The criminal search will be run for all previous addresses reported by the applicant(s). We will consider income and credit history before considering criminal history. Criminal history will only be considered if applicant meets the income and credit history standards outlined above. Applicants with prior convictions for manufacture or distribution of controlled substances within the last seven (7) years will be denied. Applicants with other specified convictions will have an individualized assessment conducted by the corporate office to determine whether the applicant poses a current risk to resident safety or property. Applicants deemed to pose a risk to resident safety or property will be denied.

Animals: Pets may be permitted with an additional deposit and monthly pet rent; dogs are restricted by breed. Dog breeds not permitted are Akita, Alaskan Malamute, Chow Chow, Doberman, German Shepherd, Great Dane, Pit Bull/American Staffordshire Terrier, Rottweiler, Saint Bernard, Shar Pei and Siberian Husky. Pets require an additional \$500.00 refundable deposit (maximum of two pets per apartment). In addition, a pet rent of \$50.00 per pet will be assessed monthly to the lease contract. Pet Owner must provide a copy of the pet's veterinarian records, including weight, to Management, as well as a picture of the pet, prior to approval. The maximum number of pets permitted is two (2) per home. Pet policy and guidelines are strictly enforced. See the Lease for additional requirements. Assistance animals for disabled are not considered to be pets and are exempt from the fees, breed and number restrictions outlined above. Assistance animals for the disabled still require prior written approval of management.

Renter's Insurance: Renter's Insurance is required as part of your Residential Lease Agreement. You must provide proof of your Renter's Insurance on or before your move-in date. Insurance obtained must include \$100,000.00 in Liability and a maximum deductible of \$500.00.

Occupancy: Studio: Maximum of two (2) persons per residence; One bedroom: Maximum of three (3) persons per residence; Two bedrooms: Maximum of five (5) persons per residence.
